

**Earth Day
Saturday, April 22,
2017**

**9am—12:30pm
Rain or Shine**

**Tabor Church is planning to celebrate
Earth Day and You Are Invited!**

First, we're encouraging everyone to help clean-up the neighborhood. Use this trash bag to pick up litter in front of your home, sweep up the dirt left by winter roads, and gather sticks, leaves, and other yard trash. Folks from Tabor will be "out and about" and may stop by your yard to help you beginning at **9am. When you've filled your bag**, bring it to Tabor's parking lot. We'll take care of getting it to the dump.

Second, at 10am, we're inviting all **children age 3 and older** to come to the church for some earth-friendly crafts. Ideally, each child should be accompanied by an adult.

Third, at 11:30am, all are welcome to join us for a **free light lunch**; hot dogs and side dishes will be available **while they last**.

Our hope is that together we can make our section of Lebanon a little brighter and cleaner, all while having fun and fellowship together. Please join us as we celebrate Earth Day, Saturday, April 22.

Tabor Church, 124 S. 10th St, Lebanon
